

**Independent Auditor's Report on review
of interim condensed consolidated financial statements
for the 6 months period ended 30 June 2018**

To the Shareholders and Supervisory Board of Budimex Group

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Budimex Group (the 'Group'), with its parent company Budimex S.A. (the 'Company') located in Warsaw at Stawki 40 Street, as of 30 June 2018, including the consolidated statement of financial position as at 30 June 2018, the consolidated profit and loss statement, the consolidated statement of comprehensive income, the consolidated statement of changes in equity, the consolidated cash flow statement for the period from 1 January 2018 to 30 June 2018 and other explanatory notes (the 'accompanying interim condensed consolidated financial statements').

The Company's Management is responsible for the preparation and presentation of the accompanying interim condensed consolidated financial statements in accordance with the requirements of International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union.

Our responsibility is to express a conclusion on the accompanying interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with National Review Standard 2410 in the wording of the International Standard on Review Engagements 2410 *Review of Interim Financial Information Performed by the Independent Auditor of the Entity* ('standard'), adopted by the resolution no. 2041/37a/2018 of the National Council of Statutory Auditors of 5 March 2018. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Auditing Standards in the wording of the International Auditing Standards adopted by the resolution no. 2041/37a/2018 of the National Council of Statutory Auditors of 5 March 2018 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

As described in note 9 on the events after the balance sheet date as well as note 13 to the accompanying interim condensed consolidated financial statements, the Company along with the Consortium of which is a partner, signed the court settlement before the Arbitration Court at the Polish Chamber of Commerce, finalizing long-standing dispute with the 'Polish Airports' State Enterprise (PPL) on the construction contract for the Extension of International Airport Warsaw – Okęcie – Construction of Terminal 2. Until the date of this review report, the Group has not updated the amounts presented for this purpose in the accompanying interim condensed consolidated financial statements, amounting to PLN 20 million. Taking into consideration the complicated impact of the signed settlement as well as mutual settlements of consortium partners, we are not able to assess the outcome of this settlement on the amounts recognized by the Group as at 30 June 2018.

Qualified Conclusion

Based on our review, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with the requirements of International Accounting Standard 34 *Interim Financial Reporting* as adopted by the European Union.
